### [Spring General Meeting](#)

Plan to attend the *Spring General Meeting* of Canoe Cove Christian Camp Inc., Sunday May 30<sup>th</sup>, 2010 at 3:00 pm at the Camp, 161 Park Road, Canoe Cove, PE. All are welcome.

### Camp Work Days

Well it's that time of year again, and we have lots of things that need to be done around the Camp.

We will be starting the work days on Saturday May 15<sup>th</sup>, May 29<sup>th</sup>, June 12<sup>th</sup> & June 19<sup>th</sup> Family Work Day. The boat house, which we have been trying to get up and functional the last couple of years, needs some major attention. The old buildings around the Camp need to be opened up and cleaned up for the summer. The Pavilion needs to be swept out and the floor needs to be mopped. The rain gutters around the perimeter of the Pavilion need to be cleaned

out. The garage roof needs to be re-shingled. Trees that were cut around the Camp need to be picked up and stacked for our summer fire wood. The windows (interior & exterior) of the new lodge need to be cleaned. Repairs to the raft are required. A clothes line needs to be installed (will need a posthole digger for this, if anyone has one). If we can get a posthole digger, we also need to put some posts around the well heads so they can be protected. We are hoping to have some topsoil delivered to fill some holes around the property.

### [Sponsor a Camper](#)

If you are interested in sponsoring a child to go to Camp, please see the attached form. Last year, \$2,115.00 was needed to sponsor children. Can you help, one child at a time?

### [Defibrillator](#)

We have started a fund for a portable defibrillator. We believe that this is something that we should have on site with the wide range of age groups of people attending the facility throughout the year. We would like thank UPSE, (Union of Public Sector Employees) for a \$300.00 donation towards the cost. If you interested in donating to this, please send your donation to the Camp, specifying that you

would like it to go to this cause.

**Thank you:**

I would like to thank Lowell Stevenson for cutting up the trees that fell down along the driveway during the winter.
